## "bacterial conarversity"

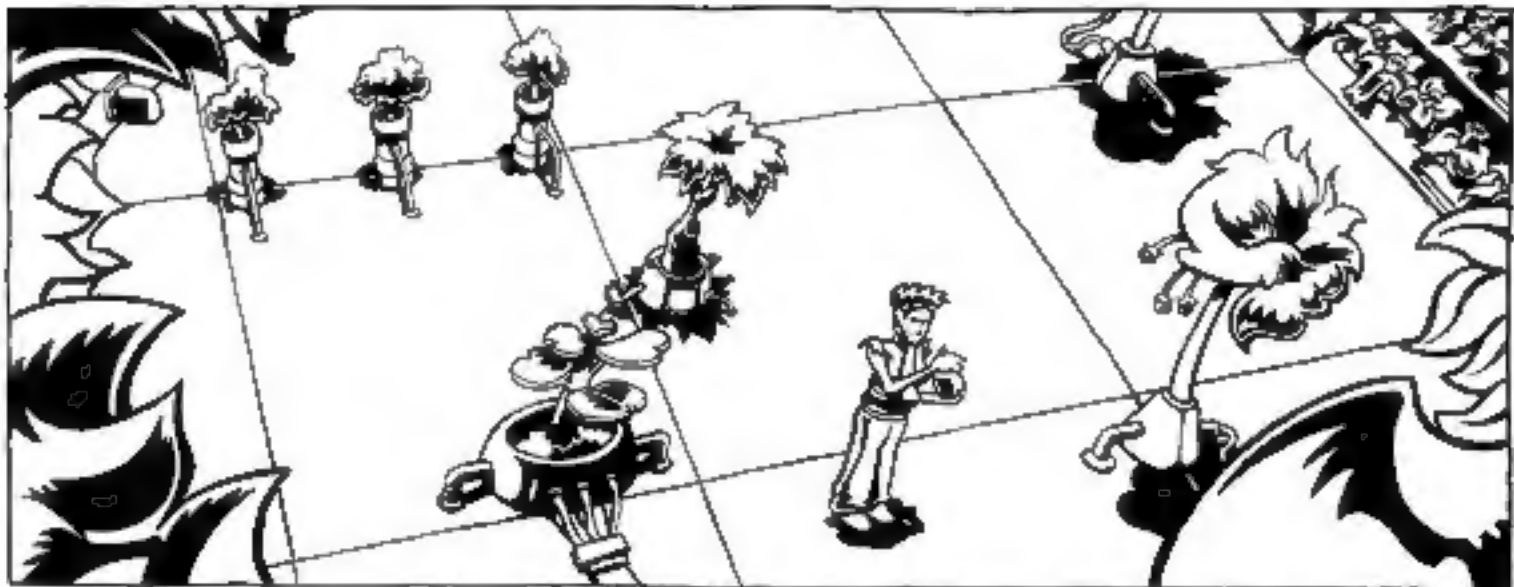

MY NAME IS JENNY EVERYWHERE  
AND I'VE INFILTRATED THE  
LUNAR COLLEGE OF SELENE.

IT'S A REALLY SMALL SCHOOL. THE  
YOUNG AND BRILLIANT OF EARTH  
ARE SENT HERE AND, WELL, DUMBED.  
OF COURSE, THEY DON'T KNOW THAT.

THE CLAUSTROPHOBIC ATMOSPHERE AND  
LIMITED STIMULATION SEVERELY CRIPPLE ALL  
THESE DEVELOPING MINDS, THE POOR BASTARDS.

MENTAL DEATH CAMP ASIDE, I WISH I  
COULD SAY I GOT HERE ON MY OWN MERITS.  
ACTUALLY, ONE DAY, I JUST SHIFTED HERE  
AND NOBODY'S SEEMED TO NOTICE.

LOOKS LIKE YOUR PLAN WORKED. FARM DETAIL.

COMPLETELY AND UTTERLY PREDICTABLE. I'VE GOT THE FERTILIZER RIGHT HERE. YOU KNOW WHAT TO DO. DISABLE SECURITY AND GET ME A RIDE.

EMPRESS - GODDESS A BIT MUCH, NO?

RELAX. WE'VE MOMENTARILY TURNED AWAY ALL THE VIDEOBOTS.

NO, NOW GET THE FUCK OUT OF MY FACE BEFORE THEY CATCH US FRATERNIZING!

YOU GUYS ARE SMART. JUST MAKE SURE TOMORROW THEY'RE ALL TRAINED ON ME.

YOU SURE THIS CRAP'S GONNA MAKE MY GERMS GROW?

PROO!

NASA

THAT'S THE MOST POWERFUL NUTRIENT SOLUTION IN THE STATION. BY TOMORROW THERE'LL BE TRILLIONS OF YOUR BACTERIA SWIMMING AROUND IN THERE.

FANTASTIC!

ALMOST DONE WITH  
THE VIDEO-BOTS. THEY'RE  
PRETTY MUCH UNDER OUR  
CONTROL NOW.

I'VE GOT THE  
DISTRACTION GOING  
AND I'M ABOUT TO GET  
MY ASS KICKED!

PUT THE FIRE  
OUT YOU LITTLE SHIT!  
IT'S CONSUMING  
VALUABLE OXYGEN!

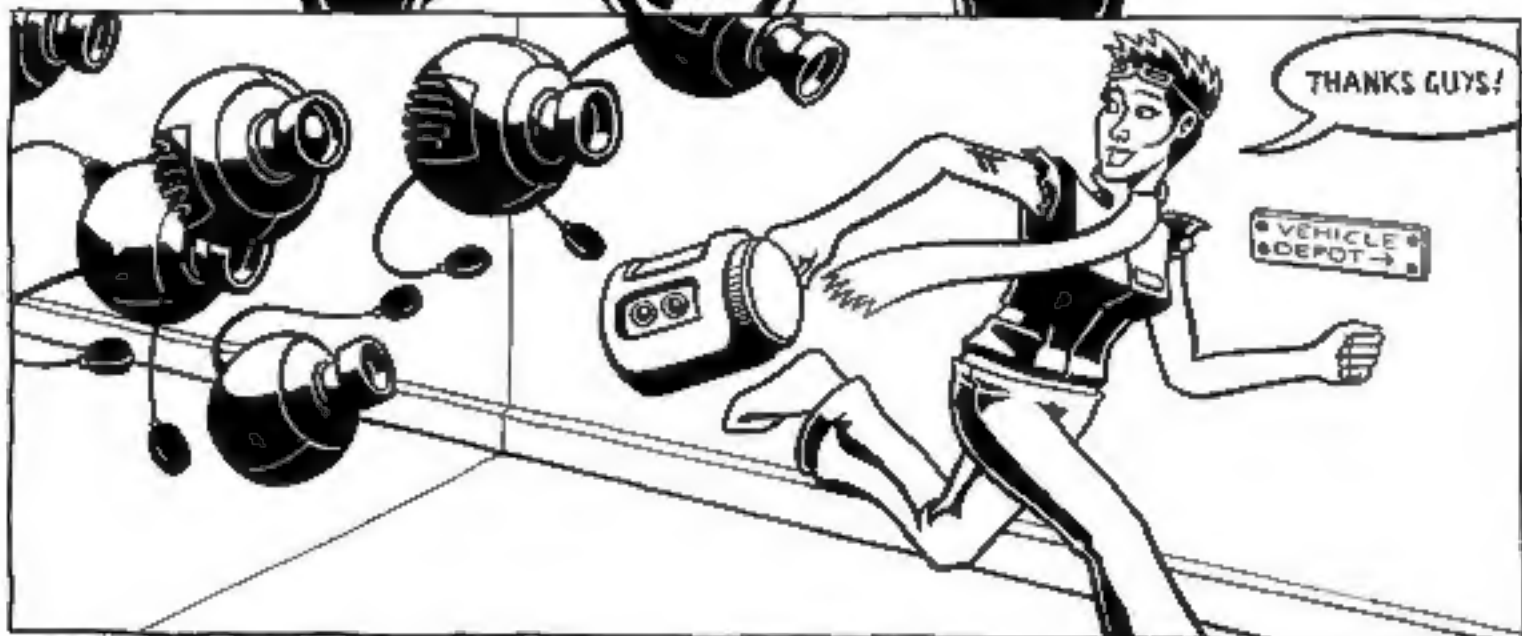

JENNY,  
I'VE UNLOCKED  
THE GARAGE  
AND DISABLED  
THE SECURITY  
SYSTEMS.

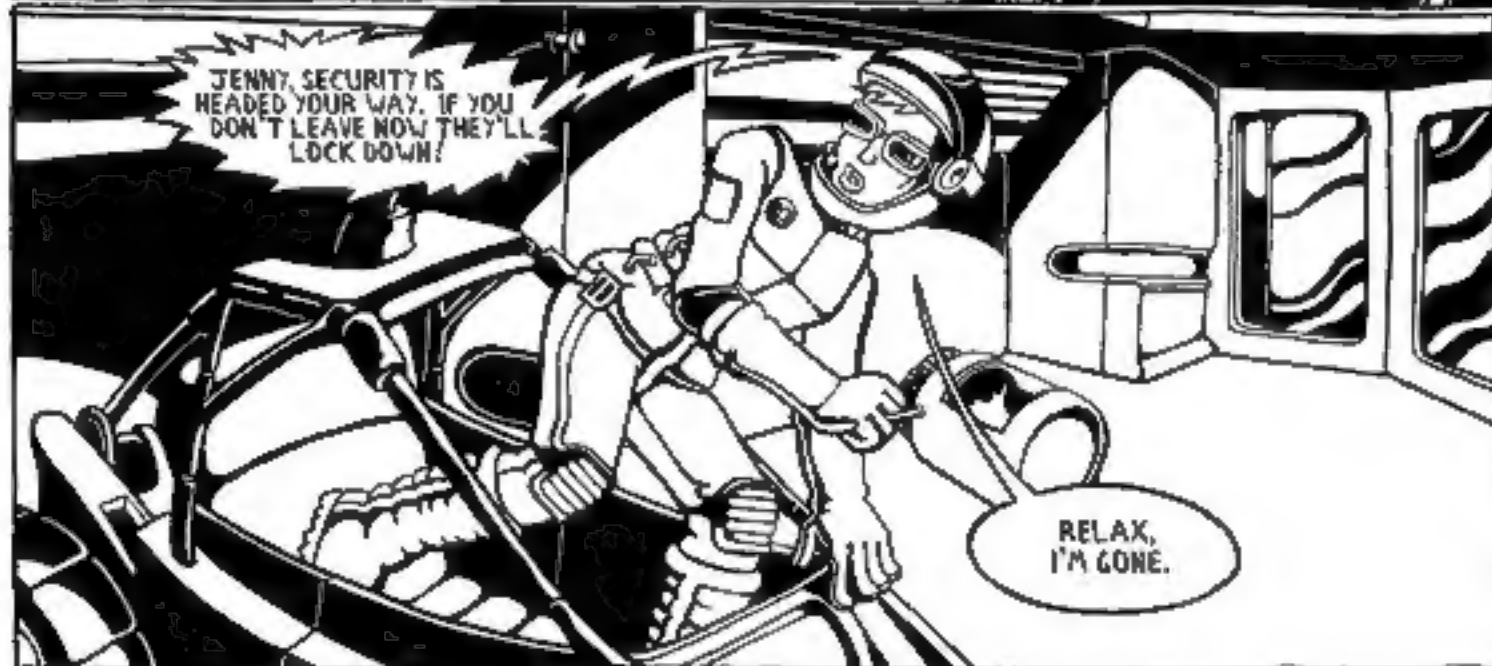

YOU HAVE FIVE  
MINUTES. GRAB  
A SUIT AND A CAR  
AND GET OUT OF  
THERE.

THANKS GUYS!

VEHICLE  
DEPOT →

PULL OVER JENNY  
EVERYWHERE! WHAT  
COULD YOU POSSIBLY  
HOPE TO ACCOMPLISH  
OUT HERE?

AN SHIT,  
THIS IS GONNA  
HURT.

LORD JESUS, NO!  
SHE DIDN'T JUST-

THE HORROR!

THIS?

THIS IS ABOUT A  
TRILLION OR SO PIECES  
OF ME. CHANCES ARE AT  
LEAST ONE WILL MUTATE,  
EVOLVE, AND SURVIVE.

IT JUST  
TAKES ONE,  
MY FRIEND.

LET THERE  
BE LIFE.
